---

**Action Requested:** Consider and act upon a resolution authorizing the City Manager to execute, on behalf of the City Council of the City of Frisco, Texas, a Second Amendment to an agreement by and between the City of Frisco and Frisco Independent School District for the Public Safety Pre-Plan Project, a copy of which is attached hereto and incorporated herein for all purposes.

**Background Information:** The City of Frisco IT Department brought to Council an Interlocal Agreement on August 19, 2008 in effort to develop public safety pre-planning project by and between the City of Frisco and the Frisco Independent School District. Subsequently approved, the aforementioned interlocal agreement has resulted in the production of a state of the art information technology (IT) based public safety tool which is now referred to as SAFER, an acronym for Situation Awareness for Emergency Responders. One component of the amendment officially renamed the project as such.

We believe this Second Amendment more clearly defines the purpose of the project as well as outlining its proper use while continuing to adhere to the Family Educational Rights and Privacy Act (FERPA).
